

March 19, 2004

**DWR/USBR Public Workshop
On the Draft Response Plan to Address Issues raised
In the CALSIM II Review Report (Dec. 2003)¹**

**April 9, 2004
1 PM – 4:30 PM**

**Bonderson Bldg., First Floor Hearings room (Rm. 102 A)
901 P Street, Sacramento**

Purpose of the workshop is three fold: to share DWR/USBR joint draft response plan to address issues raised in the December 2003 CALSIM II Review report, to entertain stakeholders and other public comments on the draft response plan, and to discuss need for any follow-up focused workshop(s) on selected topic(s).

**Workshop Agenda
(Facilitator – Noel Williams of Ch2m)**

- **Welcome, Introductions and purpose of the Workshop...(N. Williams)**
- **Overview of the CALSIM II Review Report(J. Lund)**
- **DWR/USBR draft Response Plan(T. Kadir, L. Brekke, A. Draper)**
- **Stakeholders/Public comments on the draft Response Plan led by selected speakers.....(T. Erlewine , D. O'Connor, J. Snow, KT. Shum, D. Briggs, B. Wilkinson, W. Bourez)**
- **Follow-Up/Next Step.....(N. Williams)**

¹ Review was conducted by an expert panel under the auspices of CALFED Science Program in November, 2003. The review reports *A Strategic Review of CALSIM II and its Use for Water Planning, Management, and Operations in Central California* dated December 4, 2003, (available at http://calwater.ca.gov/Programs/Science/adobe_pdf/CALSIM_Review.pdf) and *CALSIM II in California's Water Community: Musing on a Model* dated January 20, 2004, (available at http://science.calwater.ca.gov/pdf/CALSIM_II_103103.pdf).
