

Hello Everyone:

Our next meeting for the Hydrology Development Group will be Wednesday November 17, 2004 from 9:30am-12:30pm (Resources Building Rm-1142). Please note the change of the time; this new time accommodates our District staff in their travel schedules, and apparently all presenters can now make it in the morning. Attached are the meeting notes of 11-03-2004, and the draft Agenda for the Nov 17th meeting. Also, I have put on the website (under HDG and 11-03-4 meeting) the proposed DAU/Area changes suggested by Tito Cervantes and Todd Hillaire (Northern District) which was mentioned at the last meeting. Please review for any feedback to Todd and Tito, and for future discussions on area boundaries. Also attached is a template for the presenters of 11-17-04. If you have any questions prior to the next meeting, please let me know.

Thanks,
--Tariq

P.S. the call-in number will be (916) 574-2007.
